

Parent E-Mail Newsletter

First of all I would like to say what a great opportunity it is for me to be able to teach your son or daughter. This year I am certain they will be motivated to learn through inquiry-based learning strategies and the use of technology. As we are an eMINTS classroom I would like to extend this invitation to you for personal email communication and updates.

You might ask what kinds of communication I am offering through this email notification, so I have provided a list.

- 1) newsletter
- 2) test reminders
- 3) study guides
- 4) long term projects and assignments
- 5) calendar of events

If you are interested in receiving email communication, please complete the form below and send it to school with your son or daughter, or you may email your request at jedgar@mc-wildcats.org.
